

## Music

### **Knowledge in BTEC Music**

In BTEC Music, students gain a broad knowledge and understanding of, and develop skills in the areas of performing, composing and evaluating music.

Learning is focused around a working knowledge of music and the industry.

### **Curriculum Features**

The course consists of 4 units:

- Unit 1 – Music in the Industry
- Unit 2 – Managing a Music Product
- Unit 4 – Introduction to Composition
- Unit 5 – Introduction to Performance

This course is designed to support progression to a level 3 course in College in Music and Performing Arts.

### **Curriculum Enrichment**

Students have access to lesson 6 (once per week) if the teacher feels this is necessary to either complete missing/unfinished work or even to get more support with completing work to a higher grade.

Students are encouraged to attend after school clubs in various sports offered by the school as well as attending outside musical opportunities such as playing as a member of an ensemble or singing as a member of a bigger choir.
