

Sport Studies

Knowledge in Sport Studies

In Sport Studies, students gain a broad knowledge and understanding of, and develop skills in the sporting world.

Learning is focused around both the physical and theoretical aspect of Sport including Media, Leadership and Contemporary issues in Sport.

Curriculum Features

The course consists of 4 units:

- RO51 - Contemporary Issues in Sport (Externally assessed – exam)
- RO52 - Developing Sports Skills (Internally assessed)
- RO53 – Sports Leadership (Internally assessed)
- RO54 – Sport and the Media (Internally assessed)

This course is designed to support progression to a level 3 course in College in Physical Education, Sport Studies, Sports Science

Curriculum Enrichment

Students have access to lesson 6 (once per week) if the teacher feels this is necessary to either complete missing/unfinished work or even to get more support in completing work to a higher grade.

Students are encouraged to attend after school clubs in various sports offered by the school as well as attending outside sporting clubs which interest them such as Rugby, Dance, Hockey, etc
