Overall students progressed into 18 different providers.

Sectors

The latest Labour Market Information for the NorthEast (August 2020) confirms that the top growth industries / sectors across the area are Teaching and Education, Health & Social Work, Professional Services, Construction, Information Technology, Wholesale & Retail, and Finance and Insurance. Covid-19 will have inevitably had an impact on these sectors however the sectors of interest show that students moved into areas of study which reflect an understanding of local LMI, specifically around Engineering (Advanced Manufacturing) and Construction and Health and Social Care, there is also a strong interest in Hair and Beauty.
